## MEMO ENDORSED

VIA ECF

RE: *U.S. v. Abreu, et al.*, 19 Cr. 821 (KMW)

Dear Judge Wood,

I represent Neury Abreu in the above-captioned matter. His sentencing hearing is currently scheduled for September 9. I write to request a one-month adjournment of the sentencing. This is the first such request for an adjournment of sentencing. I have conferred with the prosecutors in this matter and they have no objection to the adjournment.

Granted  
-KMW

The reason for the request is that my team is still pursuing records that we believe may be pertinent to our sentencing submission, and the mitigation expert/social worker assisting the defense still needs to conduct some interviews of family members before he can finish his assessment and report.

Please note also that I will be unavailable from September 30-October 8, so I would respectfully request a date during the weeks of October 11 or 18.

**Sentencing is adjourned to October 20, 2021 at 2:00pm.**

**Defendant's submission is due on October 6, and the  
Government's submission is due on October 13.**

SO ORDERED.
